

Today, Chairman chaired the Port Users meeting and registered the views of the Users on the following points.

1. 24x7 functioning of customs to facilitate the EXIM trade through the Port.
2. Issues related to Plant quarantine (PQ) clearance.
3. Proposed Integrated incentive scheme 2016-17
4. Target throughput for 2016-17 and other performance parameters, etc,

The Port Users welcomed the expectations of the Port and confirmed their commitment for better performance of the Port in all standards set by the Ministry of Shipping.
